Emphasis of Instruction:

Emphasis will be placed on the development of individual offensive and defensive skills. Each player will be placed in drill situations, which are structured to work on fundamentals. The camp will provide time for participants to put their new skills to work in game and skills competitions that promote teamwork and sportsmanship.

Goals of the Camp:

Our goal of this camp is to create an environment, which your son can have a positive basketball experience. We want to inspire your son to practice on his own and teach him some basic fundamentals, so that when he does practice, he is practicing the right way. As a staff, we understand that the most successful way to achieve this is goal, is to have fun doing it. There is no substitute for enthusiasm!
