AT: Mahomet-Seymour
High School

PURPOSE: The Mahomet - Seymour staff works hard to instill positive attitudes as well as a work ethic in the young people we deal with. We feel these are of major importance to their success on the playing field as well as in their life after football. We feel that teaching football skills is not the most important thing we do.

The camp will consist of individual and group instruction in all phases of football. Special attention will be devoted to all phases of defensive play and offensive drills in ball handling, blocking, pass receiving.

Grade school camp will have a punt, pass, and kick contest for each grade level. Medals will be awarded to the top three in each grade. This camp will also play 7 on 7 pass games every day. We will divide kids by age group and or by ability level. This is not a contact camp.
